Steve Polen, Editor

Aug. 9, 2019

Happy end days of summer. I do hope we are nearing the end of the heat (& humidity as we have our monsoon season).

NAFCE Conference was great! Plan to go next year in Portland. There will more to follow in the UPDATE.

Just wanted to remind you that the SWFCE Conference will be Sept. 20-21 in Oro Valley. We'll be at the Holiday Inn Express in the Steam Pump Village. It is set up right near the mountains—so one side will have a mountain view and the other will look over the desert of Oro Valley. Not a bad view from either side.

Registration will be \$20 per person. Bonnie Teeples, USA Area President for ACWW, will be our guest speaker.

A registration sheet and conference info will be coming out very early Sept. Margaret and I are going to Europe for two weeks. Will get the UPDATE sent out after that.

Hope all of you will plan to attend the SWFCE Conference.
