Friday, Nov. 17 we will tour the Yuma Territorial Prison in the morning. The Prison is mostly easy walking—one portion is small rocks. There is a video, lots of pictures and stories inside after we enter.

You will also see the “Ocean to Ocean” Bridge from the prison.

Reservations for lunch will be at the Famous Garden Café (there is an entrance for those who cannot do steps—I’m able to do them so they aren’t too hard)
