MESSAGE FROM the PRESIDENT

As this year started amidst political and media angst, I thought maybe all of you would like to be able to contact your Representatives and Senators. Awhile back, Marian Hannon sent me the following, and it is still correct today.

www.house.gov

nmlegis.gov

www.senate.gov

capitol.texas.gov

www.azsenate.gov

www.azhouse.gov

Click on the district you are in and you will get a list of national congress members. There you will get an email link. You can write in the space provided. The states' websites are all different in being able to navigate.

Use correct language, nothing vulgar or threatening. Use correct punctuation—it can make a difference in your sentence/paragraph. Keep it brief and to the point, do not ramble or tell a long story. It helps if you can find something to say that is nice or complimentary.

Let me know if you email anyone and who. I don't need to know the subject matter, but maybe if you heard anything back from the person/s you wrote to.

Check out our website. Scott Teeples has recently updated it. The handbook, bylaws, and all the *SUN FLASH* quick notes are posted. When the next *SUNSHINE UPDATE* is published it will be added.

There is a list of Executive Committee, link to National, and pictures as well. More to come as we go along.
